10th Birthday Celebration

A Tissot's Tale...

10 years ago on a boat on the river Thames a group of friends got dolled up in their finery and partied the night away. This was a happy day for me as I was released from my confinement in a blue box and presented to my new owner as a birthday present.

I was apprehensive having heard many stories about the unfortunate demise of previous watches and sunglasses having been in the "care" of this owner. But nothing could be worse than going back to the shop to be sneered at by the Rolex's, surely?

I am happy to relate that I am still going strong 10 years later. I have traveled extensively; visiting the USA, Canada, Germany, France, Middle East, Egypt, Australia, New Zealand, Cambodia, Indonesia, Hong Kong and lived in Belgium, England and now Thailand. I have been 40m under the sea and 11,000m in the air. I have ridden at 285km/h on roads designed for 50km/h and survived 5 bike crashes.

I have been dropped, driven over, run down but never forgotten. I have out-lived innumerable pairs of sunglasses, several wallets, some unwise ring choices and roughly 6 girlfriends.

So now it is time to celebrate my 10th birthday, and coincidentally the 40th of my owner. Please join us on Friday 12th September for a celebration of our 10 years together!

I am 10!

I am 40!

Do this...

Some of you on the distribution list were there at the beginning but will not be able to make it for the anniversary.

So a big thanks from afar to Rolf, David, Ian, Maxine, Lisa and Jamie for making this anniversary possible. As a token of our appreciation here are some [pictures](#) from 10 years ago to remind you of what you wore and who was there.

There will be a slightly different dress code at this event!

Other Information

Dress

We recommend casual as in jeans and T-shirt. This does not apply to the ladies who should wear their flimsiest finery. :-). If you are planning to join the go-karting make sure you bring some socks and shoes that protect the back of your heel. Otherwise it will be blisters for you!

Budget

All beer and food is FREE of course. However I would ask for a small 1,000 Baht contribution from those joining the go-karting to balance the party budget!
